Fit and Beauty with ayurveda

„If bodies and spirit peace and relaxation look for, work oil treatments true miracles“.

Ayurveda - it is called „science of the life generally translated“.

In the classical Ayurveda the oils used for the treatments have an important value. The skin is regarded as mirror of the soul and over the skin is possible it us to affect the mental equilibrium. Internal beauty and mental. Well-being-feel coin/shape our radiant emittance. Precious vegetable oils affect skin and soul with plant strength calmed down, animated, balanced and feed.

Ayurveda bends the aging process forwards, neutralizes stress, harmonizes the nervous system, improves vision, promotes longevity, helps with sleeplessness, promotes physical and psychological stability.
